U.S. Food and Drug Administration Dockets Management Branch Fishers Lane Room 1061 Rockville, MD 20852

Dear U.S. Food and Drug Administration:

I am writing in response to a recent article I read regarding a petition currently being reviewed (docket number 98P-0151/CP1) regarding downed animals. I am appalled at the inhumane treatment downed animals receive when being sent to slaughter. I am writing to urge that the FDA prohibit the slaughter of downed animals.

Sincerely,

Frank Doyle
